

MACHINE LEARNING

Division	A
Batch	2
GR-no	12311493
Roll no	54
Name	Atharva Kangralkar

Assignment 5:

Write a Python Code to implement Decision Tree. Use the standard dataset.
Use Hyperparameter tuning to improve the performance of the model.

Write a Python Code to implement Decision Tree. Use the standard dataset.
Use Hyperparameter tuning to improve the performance of the model.
