

MACHINE LEARNING

Division	A
Batch	2
GR-no	12311493
Roll no	54
Name	Atharva Kangralkar

Assignment 6.1:

6:Unit-VI: Unsupervised and Reinforcement learning
Write Python code to implement K-Means and C-Means clustering. Use
Standard datasets.

**Write Python code to implement K-Means and C-Means clustering.
Use Standard datasets.**
